Brothers and sisters of each of the churches that are supporting the missionary work in Peru, we are grateful and always remember you in our prayers.

We are working in each of the missionary works, El Bosque, Chao, San José. The Christmas that was celebrated was a great blessing and joy, we had great Christian fellowship where new families were able to know the word of God and as a result 3 people received Christ as their Personal Savior.

The reconstruction of the perimeter in the Chao church continues. The effort is being made among the congregation to raise funds for the materials. The toilets are also affected by saltpeter and need to be refurbished. In addition, the construction of the kitchen and dining room is planned, we hope for your support to continue improving the house of the Lord.

In the missionary work of San Jose, a lot of work is needed, little by little to supply each need that is lacking, Sunday school rooms, auditorium, toilets, kitchen, dining room. We need your prayers to continue with the works that are expensive.

In Peru, insecurity is a concern, corruption and crime are the headlines every day, and preaching the gospel is urgent to counteract evil. That is the importance of the great commission given by Christ: Go and preach my word to all the nations of the earth, until the return of our Lord.

I hope you remember me in your prayers and thank each one of you for your support, may God bless you greatly.

Your brother in Christ,

Juan Angulo Iglesias
Missionary in Peru
