Jan-Feb 2025

Dear Brothers and Sisters,

January was a very cool month considering we were in LA and Fl. We left home on Dec 27th headed for Folsom LA. It was supposed to rain on Sat so we drove the whole way. It was dark when we got there which was kind of scary on the small roads leading to Camp Glenwood, but we made it PTL. The camp directors were sick but Jim and Jeremiah were able to do some work while we were there. As is our custom we started the first Sunday morning at Pearl Hickory MBC. We have been doing this for around 10 yrs now. It always a joy to be with them.

We left Folsom heading to Florida which is our regular route. We attend Westwood Mission conference the later part of Jan. It is always a joy to be at our church home. Jeremiah and I cooked the london broil meal on Thursday night of the Mission conference. He has been preparing this meat for at least 10 yrs or more. This is one of their favorite meals. We cooked 45 lbs. of meat, browned it in our trailer and then put it in roasters at the church. Jeremiah does a great job.

After the missions conference we went on the Singing At Sea cruise which was a great vacation for us. A very relaxing time, it was truly a blessing.

Once again we had the honor of doing the 1st quarter mission rally at Pleasant Grove MBC in Milton Fl. As we have done in the past. It was a great time of worship and fellowship.

While in Florida Jeremiah and Jim worked on a few projects. They did a room remodeling job for a church member, repaired the dock at one the apartments and painted it, did some electrical work and hung some blinds at one of the apartments. Needless to say they were busy boys.

As for me, I pulled a muscle in my arm so I have had to take it easy trying not to use it much. Its doing somewhat better but still hurts if I pick something up that has some weight to it . When we cooked the london broil, it was a really good price so I decide to do some canning. It is really good meat canned. Also worked on canning some cherry lemonade concentrate, it is really good. We are just enjoying the camper life. Thank you all for reading this report. We especially thank you for your faithful prayers and financial support. We thank God for you all. LOVE YA

Monthly support

Brethren, I count not myself to have apprehended: but *this* one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before,

I press toward the mark for the prize of the high calling of God in Christ Jesus.
Phil 3:13-14
